DuroWipe

MATS

The Time Group is a technology driven group and a pioneer in the Indian matting industry, with market leading brands like DuroTurf, DuroSoft and Meadowz Instant Lawns in its repertoire. The group has been delivering value for money solutions across various industry verticals and has won the trust of commercial establishments, government and semi-government institutions, airports, railways and also over 2 million households across the country, bringing about a sweeping change in the landscape of this industry.

Time now presents DuroWipe, its latest innovation in the Matting Industry. Made from high-grade polymer, DuroWipe comes with an unique '**Twin Blade Operation**', which has been specifically pioneered to **wipe out water/moisture and suck out dirt from the footwear/feet in one single wipe**. Its wavy and undulated polymer structure presents an unbeatable combination of aesthetics, strength and durability.

Now enjoy life without worrying about the soggy dampeners anymore.

Applications:

- Entrance: Lobbies, passages, corridors, pathways
- Indoor: Airports, malls, corporate corridors, restaurants, theatres, clubs, lounges, health spas
- Households: Swimming pool areas, bathroom entrances, shower cubicle areas, trains and luxury coaches

Advantages of DuroWipe:

- Raised undulated structure for positive removal of dirt and water
- Locks in dirt and wipes out water, making it invisible to the naked eyes
- Provides an easy passage for human

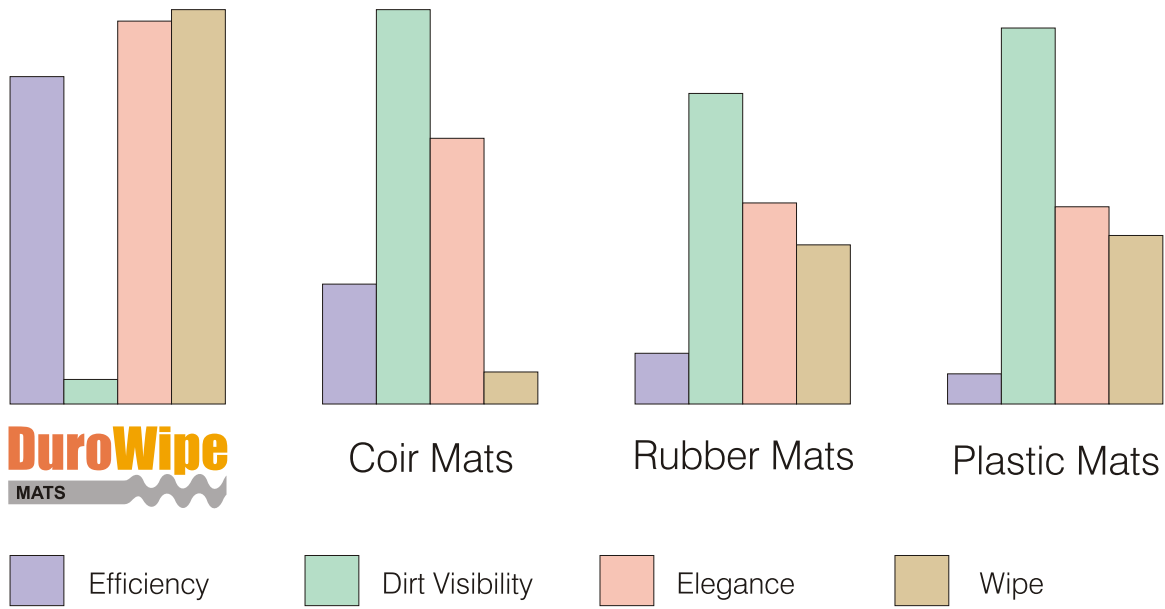

TWINBLADE OPERATION

This revolutionary twin blade technology wipes moisture/water off footwear/feet and sucks dirt in one single wipe.
